Courseware Catalog

OPSCENTER LMS · NOVEMBER 2026

Ready-to-assign training for aviation operators and every other workplace. Pick titles from the Courseware Store in OpsCenter LMS, add them to a Content Package beside your own courseware, and assign. You pay only for the people you assign, with nothing to install and no content to build.

39	78	45	Built in
AVIATION TITLES, 6 FOR TSOC	INITIAL AND RECURRENT COURSES	HR AND WORKPLACE SAFETY TITLES	FINAL EXAM IN EVERY AVIATION COURSE

Aviation: Non-Aircraft-Specific Training $4.99 PER LEARNER, EXAM BUILT IN

Built from current FAA regulations, Order 8900.1, advisory circulars, InFOs and SAFOs. Each title comes as an Initial course (65 slides, about 56 minutes) and a Recurrent course (43 slides, about 37 minutes), each ending with its own final exam. Titles marked EXTENDED run two modules (130 slides, about 1 hr 53 min) for Initial and 58 slides (about 50 minutes) for Recurrent.

WEATHER AND ENVIRONMENT

Aviation Weather and Meteorology EXTENDED
Atmosphere to dispatch weather rules

Thunderstorm Avoidance
Radar, data link weather, deviations

Windshear Recognition, Avoidance, and Recovery
Supports § 121.358 programs

Cold Weather Operations and Ground Deicing
Holdover times, clean aircraft

Hot Weather and High Density Altitude Operations
Performance limits in heat

Volcanic Ash Avoidance
Warnings, encounter procedures

Cosmic Radiation and Space Weather for Flight Crews
Exposure and advisories

FLIGHT PATH AND AIRCRAFT HANDLING

Controlled Flight Into Terrain (CFIT) Avoidance
TAWS, terrain escape

Upset Recovery Training (UPRT)
Supports § 121.423

Low Energy Go-Around and Rejected Landing
Bounced landings, go-around errors

Contaminated Runway Operations
RCAM, FICON, landing assessments

TCAS II Operations
Supports § 121.356 and AC 120-55

High Altitude Operations and Physiology
§ 61.31(g) ground training

HUMAN FACTORS AND LEADERSHIP

Crew Resource Management (CRM)
§ 121.404 CRM training

Fatigue Risk Management
§ 117.9 fatigue education

Introduction to Command: Leadership for the New Captain
AC 121-42

NAVIGATION AND AIRSPACE

North Atlantic High Level Airspace (NAT HLA) Operations EXTENDED

Pacific Oceanic Operations
PACOTS, oceanic procedures

Polar Operations
Part 121 Appendix P, OpSpec B055

Reduced Vertical Separation Minimum (RVSM) Operations
§ 91.180

Performance-Based Navigation (PBN)
RNAV, RNP, RNP AR

GNSS Operations and Interference
Jamming and spoofing

CPDLC and ADS Data Link Operations
Logon, PBCS, contingencies

Precision Runway Monitor (PRM) Approaches
Meets PRM training

EXTENDED AND SPECIAL OPERATIONS

Extended Operations (ETOPS) EXTENDED
§ 121.161, Appendix P

Extended Diversion Time Operations (EDTO)
ICAO EDTO mapped to ETOPS

Low Visibility Operations (LVO)
CAT II and III, HUD, EFVS

Special Operations and Authorizations
Special airports, RNP AR

SAFETY, SECURITY AND COMPLIANCE

Safety Management Systems (SMS) EXTENDED
§ 5.91 training

Using the FAA SAS External Portal
DCTs, change requests

Cargo Security and Dangerous Goods
Part 121 Subpart Z

Crewmember Security Awareness
Public FAA and TSA material

Passenger Security and Disruptive Passengers
De-escalation, interference rules

Every aviation course includes narration, an image on every slide, spoken review answers, and a final exam: 20 random questions (Initial) or 10 (Recurrent), 80% to pass. Below 100%, the instructor reviews each miss and the certificate records it. PDF exam on request for FAA or CAA review. Security titles use public material only.

FAA TSOC: Streamlined Part 91 Approvals $4.99 PER LEARNER, EXAM BUILT IN

Crew ground training for LOAs issued under the FAA's Streamlined Part 91 Operational Approval (TSOC). Each title's Compliance Statement maps every ground training item in the TSOC Application Guide to a course and slide. Aircraft-specific procedures are trained with an instructor.

Data Link Communications
LOA A056 · CPDLC, ADS-C, RCP 240 and RSP 180

Oceanic and Remote Continental Operations EXTENDED
LOAs B036 and B039 · planning, SLOP, contingencies, oceanic RNP

Enhanced Flight Vision Systems
LOA C048 · EFVS to 100 feet

Straight-In CAT I Instrument Approaches
LOA C052 · LPV, LP, LNAV/VNAV and LNAV

RNAV and RNP Terminal Operations
LOA C063 · RNAV 1 and RNP 1, AC 90-100A

VNAV Approaches Using MDA as DA
LOA C073 · CDFA, baro-VNAV temperature limits

Human Resources $3.99 PER LEARNER ASSIGNED

Short, self-paced lessons for every employee and supervisor, each with a built-in knowledge check.

- Americans with Disabilities Act
- Communication Skills
- Conflict Resolution
- Diversity in the Workplace
- Employee Handbooks for Supervisors
- Minimizing Workplace Negativity
- Respect in the Workplace
- Responsible Alcohol Service
- Service Animal Protocol: Restaurants
- Sexual Harassment
- Stress Management
- Team Building
- The New Promotion: From Peer to Manager
- The Sarbanes-Oxley Act

Workplace Safety $3.99 PER LEARNER ASSIGNED

Hazard awareness for offices, shops, hangars, kitchens and job sites, each with a built-in knowledge check.

- Introduction to OSHA and the General Duty Clause
- Arc Flash Safety
- Asbestos in Construction
- Back Safety
- Bloodborne Pathogens and Other Potentially Infectious Materials
- Cold Stress
- Compressed Gas
- Confined Spaces
- Electrical Safety: Offices
- Extended Hours and Worker Fatigue
- Fall Protection: Construction
- Fire Extinguishers
- First Aid for Employers
- Forklift Safety
- Good Housekeeping
- Hand and Power Tool Safety
- Hand Hygiene in Healthcare
- Hearing Conservation
- Kitchen Hazards
- Ladder Safety
- Lead in the Workplace
- Mold Abatement
- Office Ergonomics
- Personal Protective Equipment (PPE): Electrical
- Proper Posture: Restaurant Employees
- Safe Food Preparation
- Safety Data Sheets
- Safety Programs for Supervisors
- Sun Exposure
- Trip and Fall Prevention
- Workplace Violence

MIX WITH YOUR OWN

Put catalog titles in the same Content Package as your own SCORM courseware and exams. Learners see one assignment.

PAY AS YOU ASSIGN

Each charge is shown and confirmed before it's made and lands on your monthly bill. Titles carry no subscription and no expiry.

RECORDS THAT STAND UP

Dated completion records, scores, revision numbers and numbered certificates with a verification link, for inspectors, auditors and insurers.
